

Sasol Ethane Cracker & Derivatives Project

LOUISIANA FIRST

Sasol is delivering on its commitment to use Louisiana businesses first for our procurement and contracting needs. We also hire local and invest in the communities where our employees live and work.

COMMITTED

\$4 billion to LA contractors

8 major Louisiana-based contractors supporting mega project:

Cajun Constructors, Performance Contractors, Turner Industries, James Industrial Contractors, ISC Constructors, Excel USA, MMR Constructors, Civil Construction Company

INVESTED

\$5 million to SWLA nonprofits

In education, environment and small business development signature initiatives

13,000+ SWLA residents reached

HIRED

**620+ new full-time employees
+ 450 existing full-time employees
= 1100+ Sasol SWLA employees**

**85% are Louisiana residents
72% of those are from Calcasieu Parish**

SPENT

\$575 million with LA suppliers

\$102 million of spend with Calcasieu suppliers

INFRASTRUCTURE

\$40 million (\$35 million within the city of Westlake)

The heavy haul route work and other infrastructure improvement projects included a significant amount of new water, sewer and gas line infrastructure for the city of Westlake.

TAXES

\$161 million in state taxes & \$135 million in local taxes during construction

\$7.5 million in state taxes & \$6.2 million in local taxes expected annually (beginning in 2019)

BOTTOM LINE

“The benefit-cost ratio for the state could reach nearly 2 to 1 through 2050. Southwest Louisiana and the state will see an outstanding return on their investment in Sasol’s project.” - Dr. Jim Richardson, LSU Economist
