Subject: Let us know your status after Hurricane Laura

Sasol North America
Human Resources

Sasol employees impacted by Hurricane Laura:

In the aftermath of Hurricane Laura, Sasol's priority is ensuring the safety and well-being of our workforce.

To do so, we need to determine the status and location of our impacted employees, as well as any immediate needs they might have.

To help us do this, **please complete a brief survey by clicking on the link or scanning the QR code at the bottom of this message.**

You'll be asked to provide your status, let us know if you need immediate assistance and provide contact information if you do. If you request assistance, a Sasol representative will contact you.

We ask all employees impacted by Hurricane Laura to complete the survey one time, and to complete it again only if their status changes. Also, please keep your supervisor informed of your status as you are able.

If you are connected to the Sasol network, you will be taken directly to the survey. If you are not connected to the Sasol network, you will be asked to log into the survey using your Sasol credentials.

Thank you for helping gather this important information, and please stay safe.

Cobus Botha
Vice President, Human Resources & Corporate Affairs
Sasol North America

To access the survey:

1. Click [here](#), or
