

A message from leadership

30 August 2020

Colleagues:

Sasol is providing up to 10 gallons of either gasoline or diesel fuel per day per each employee who qualifies.

Who qualifies: All East and West Plant employees who are currently reporting to work onsite. This DOES NOT apply to employees who have been affected by Hurricane Laura but are not currently working onsite.

Time: Daily from 5:00 a.m. - 3:30 p.m. or until the fuel runs out

Location: The Hill

Please note that there may be lines and patience is appreciated.

We will provide a follow-up communication with any changes to fuel distribution for employees.
